

How do I qualify as a partner?

In order to qualify, you need to have met the below criteria:

- Have had at least 1 job completed by one (or more) agents at ininitdeesigns.
- No outstanding balance(s) late/missed payments (on current projects)
- Have referred 1 (or more) clients to ininitdeesigns (processed payments confirmed).

Earn badges and use them at checkout!

As a way to engage with our partners and recognize their accomplishments, we've decided to implement "Badges". With our badge system in place, rewards will increase and allow us to give partners even MORE in return for their efforts (members may combine these discounts with TTP rewards). Once a badge is earned, partners may use it to offset any service fees within checkout at their discretion. If a badge is used at checkout, another can be earned. Not ready to redeem, earn multiple badges and stack up!

Scout	Archer	Viking	Esquire	Knight	Sentry	Majesty	Sensei	Master	God
1 Referral 10% off	2 Referrals 20% off	3 Referrals 30% off	4 Referrals 40% off	5 Referrals 50% off	6 Referrals 60% off	7 Referrals 70% off	8 Referrals 80% off	9 Referrals 90% off	10 Referrals 100% off

NOTE* Qualified partners do not need to be qualified as a "Top Tier Partner" in order to receive badges.

Will my badges expire if I do not redeem them right away?

Once a badge is earned, it will remain in your account indefinitely, or until you decide to apply it.

How do I know when one of my referrals is a confirmed sale?

Partners will automatically be informed via email once a referral has been processed through our payment systems. Once a sale is confirmed, a badge will be added or upgraded on your account. Badges will be displayed on your hub within your dashboard.
